The Michigan Chapter was established August 14, 1976. We were the North American MGA Register's first chapter. We are a low-key club dedicated to the preservation and enjoyment of the MGA. Our nickname is the Michigan Rowdies. Our newsletter ***A-Antics*** is published bi-monthly. We urge our members to join the national organization NAMGAR (*voluntary*) as it entitles you to attend national get togethers throughout North America and you receive an excellent magazine called ***MGA!***
Are you now or planning to be a NAMGAR member? _____ Yes _____ No
