

## Notice to all M.G. Y-Types

### YA Saloon – YT Tourer – YB Saloon

1947 - 1953

**Announcing the inaugural M.G. Y-Type Down Under Gathering (The “DUG-IE”), to be held in Warwick over Easter 2004.**

The M.G. Car Clubs of Australia are conducting their National Meeting in Warwick over Easter 2004. While many Y-Type owners are members of M.G. Clubs, many are not, so it is planned to host a couple of events over the weekend to share the Y-Type camaraderie, and the spirit of the Nat Meet.

The Nat Meet Concours will be held on the Saturday, and it is hoped that we can arrange a special display of Y-Types for those not entered in the Concours. During the display we can all meet, some for the first time, and share a little of our fascination for Y-Types. Saturday night will be a free night to do whatever you please around Warwick.

On Sunday we will be hosting a drive around the Warwick district that may include a Winery or two, Antique Stores and a visit to Historic Leyburn (home of the 1949 Australian Grand Prix). On Sunday evening we will all gather for the first Y-Type Dinner and Drinks at a small but cosy Restaurant a short drive from Warwick. Monday is for heading home or watching more of the Nat Meet.

Now the detail: There will be no cost to participate in the DUG-IE. All organisation costs will be met by sponsors and donations, all you have to budget for is travelling, accommodation and food/drinks. Obviously we need to know if you intend to come, but there will be no formal registration. Alternatively, if you wish to participate in all the Nat-Meet activities and the DUG-IE, join an M.G. Car Club and come along. It will be a big weekend for Y-Types.

See you there,

Yours in Y-Types,

***Tony Slattery***
