### Ride Out – Pure Land Meditation Centre and Japanese Garden.

Sunday 4th June 2017

This year, our Ride Out is to the Pure Land Meditation Centre and Japanese Garden situated in North Clifton, near Newark. The award-winning meditation centre and Japanese garden has been featured in "Inspirational Gardens of the World" by the AA and is said to be one of "The Best British Gardens" seen on ITV.

Our day starts at 11.00 am at the Lincolnshire Poacher, Bunkers Hill, Lincoln, LN2 4QT where breakfast/brunch of your choice may be purchased. There is no need to pre book breakfast at this venue as they are able to meet our demands without. After breakfast at approximately 12.30 pm we leave for North Clifton via main and local roads. At the gardens we will be able to partake of lunch or one of their legendary afternoon teas. Time spent at the gardens is at your discretion.

There is just the one starting point this year but I am sure members from all natters remote to the starting location will either organise themselves to ride to the starting point or alternatively directly to the gardens. Of course there is always a risk with the English weather so please be prepared for late changes.

~~~~~  
Just so you know:-

- Event entry per vehicle, payable to MGCC on the day - £6.00 per car of two people.
- Entry to the gardens, payable directly to the gardens - concession £6.00, adults £7.00pp
- Breakfast/Lunch/Afternoon Tea etc. at your expense

Please let me know as soon as possible if you wish to attend. This may be done by one of the following ways:
