Norwich MG Owners Club

We welcome all classic and sportscar car enthusiasts, their partners and families. It is our aim to offer assistance and guidance in all aspects of ownership and to encourage the interest and enjoyment of such ownership.

The Club is part of the national MG Owners Club but is self financing from fund raising.

Club activities are as far as possible linked to the use of our cars, especially in the summer and we encourage members to contribute their ideas for these activities.

**Meetings held on the 4th Tuesday in the Month at Caistor Hall,
Caistor St Edmund near Norwich**
