The GM Heritage Center is not just a museum but rather a cross between the ultimate automotive enthusiast's garage and a living repository of automotive history. The Windsor-Detroit MG Club and Detroit Triumph Club are cordially invited to attend a private tour of Center on the date and time shown above.

The GM Heritage Center is not just a museum but rather a cross between the ultimate automotive enthusiast's garage and a living repository of automotive history. The Center has 81,000 square feet of flexible space, housing more than 180 vehicles spanning 10 decades. The vehicle collection showcases a wide range of GM design, technology and innovation. Among the vehicles are past and current concept vehicles, as well as historically significant vehicles from various eras, including the 1931 V-16 Cadillac, 1949 Buick Roadmaster, and 1953 Chevrolet Corvette. For more information on the Centre you can visit their web site

There is an admission price of \$10 per person. Please have a \$10 bill ready to ease the collection upon arrival.

Car-pooling from the usual location of 8Mile and Haggerty for the west side members and from Windsor is can be discussed. Please call me to volunteer or participate.

**RSVP to Bill Reeves so we can get a head count for the event.**
