FALL COLORS/DINNER TOUR

Bring your favorite British car on October 10th, for a late afternoon 19 mile one way run from Dearborn to Northville along scenic Hines Drive Parkway to observe nature at her finest!

We have an end destination early dinner planned at the Deadwood Grill in Northville. We will have heated outdoor covered seating to enjoy the late afternoon sunshine, (we hope!)

We will be rallying at the Kroger parking lot at the tip of the SE corner of Michigan Ave and Outer Drive in Dearborn at 3PM.

Driver meeting at 3:20PM, departure will begin promptly at 3:30PM with arrival planned at the restaurant at ~4PM. The restaurant has the feel of a old hunting lodge and is casual dress. Both sandwiches and dinners are available. (Homemade Sangria's too!).

Brush up on your MG trivia skills as there will be small prizes awarded at the restaurant!

Please call Mike Harris with any questions at 313-277-0626 or cell at 484-269-6484. Because of the possibility of inclement weather, feel free to call by 2PM to check if the event is washed out.

Hope to see you on 10/10!
