

'C' COMMUNITY BULLETIN BOARD

The American MGC Register welcomed its International Director from England, the United Kingdom, to its annual meeting in Pensacola

Our lord International Director

Brian Hutchison graced the members of the American

MGC Register with an appearance in Pensacola Beach at the 'C' event of

Brutal Aggressives, the 43rd, for a time of greetings and festivity. He was welcomed generously and merrily.

It was offered and argued that he should have won the Iron Bum Award (which is reserved to those who drive their MGC the farthest to the CBA); but, (although the distance from England is long) the seat time of 10 hours or so in an airplane did not exceed the seat time in a qualified MGC from distant land. Besides, in any case, the tie breaker is that international flights reward sitters with free beverages and movies to take one's mind off the bum.

We have enjoyed Brian's company at several CBAs, since he became our International Director. He attended the CBAs in Auburn, IN, Ashville, NC, Charleston, SC and Pensacola, FL.
