

# Coordination Director's Message

BY RICHARD STEPHENSON, #3

*Dayton! What a great place to enjoy sharing with old and new friends at our 44th 'C' event of Brutal Aggressives.*

*The American MGC Register's "first flight" into Dayton is boarding soon. Lois and David Gribler will be at the controls. They've packed a lot of exciting cargo into the hold. We'll take off to Wright Patterson AFB and to the National Museum of the U. S. Air Force; the John W. Berry Wright Brothers National Museum; or, a visit to the Wright Cycle Company Complex at the Dayton Aviation Heritage National Park. Their First Flight made the home of the Wright brothers a terrific spot to land.*

*A more relaxed and pleasant visit may appeal at the Carillon Historical Park.*

*The Fountain of Lights on the river at RiverScape Metropark will be a visual delight.*

Of course, we will enjoy our member Jack Feldman's gift of his red MGC Tourer to and at the British Transportation Museum. Jack and his son Lou will be with us for the show.

*Let us not forget the pleasant time we'll have in the Amber Rose Restaurant. We will share a delicious dinner in a friendly atmosphere.*

*It was the greatest of gifts that Lois and Dave suggested Dayton and volunteered to host our annual meeting, that is, the 'C' event of Brutal Aggressives in its 44<sup>th</sup> year of grand touring and great fun. Together, we make a wonderful time of renewal and new friendships.*

Registration forms and information may be seen on our website and in the Winter/Spring issue of 'C' Notes

We will continue our “lovely”, as the English say, AMGCRA experience in Dayton, Ohio, at the British Car Day, during our 2024 ‘C’ *event of Brutal Aggressives*, as our Founder Tom Boscarino named it in 1980. I think it’s not too early to plan to be with your friends.

Established in 1966, the British Sports Car Roll of Fame's mission is to "preserve and appreciate the legacy and heritage of those legendary vehicles and to honor the men and women responsible for their success." For more information, contact the roll at [roll@britishsportsroll.com](mailto:roll@britishsportsroll.com) or if being viewed on the British sports car industry and lobby. **Team Humberstone:** Jon West of the American MGCC Register, Humberstone was inducted with the New England MG Register, NAMGTR and A-MGTR. He was a co-founder of the North American Carroll at MG Register.

*Cheers and Happiest of Days to All +++ 'C 'you in Dayton, Ohio in 2024*
