

MG Y turns 60!

Yes, the MG Y Type was launched in 1947 at the London Motor Show. It has won hearts all around the world. Come and celebrate 60 years on the road!

The **Australian Register of the MG Y Type** invites you to join our Diamond Jubilee celebrations. We are organising a weekend in the Hunter Valley, NSW, in the Maitland area.

Come along and meet other owners and their cars and join in the fun.

When? The weekend of 13 - 15th April, 2007, staying Friday and Saturday nights. This is the weekend after Easter and may tie in conveniently with any plans you may have for the MGCC National Meeting in Qld.

Let's get the largest number of Ys together at any one time, for a big photo. If your car isn't on the road, well it's time to get moving! If this is impossible, then hopefully spare seats may be available with other Y Typers, so everyone can be part of the occasion.

Looking forward to hearing from you. Should be a memorable occasion.

Regards,
Steve and Lynne Brompton
