The rolling chassis featured on pages 2 & 5 of Issue No.181 (August, 2004) (YB/0476; "XMG291") has found a new home with Mr. John Learoyd of [redacted] in the East Riding of Yorkshire.

I have heard from Mr. Brian Calder of [redacted] Australia, that he now has the 1949 "YA", Y/3095, which used to belong to a Mr. Kennell, also of [redacted]; so the car hasn't moved too far as a result of this change of ownership.
