

MG Car Club SW Centre Visit to Prescott Speed Hill Climb

The poster features a vibrant illustration of a red vintage open-cockpit race car, possibly a Lotus, driving up a hill. The driver is wearing a white helmet and goggles. The car is leaving a trail of white smoke behind it. The background shows a yellow sky and a purple fence along the track. The text is arranged in a clear, hierarchical manner, with the event title at the top, dates and theme in the middle, and contact information at the bottom.
