

## **MGCC South West Centre jumps on the 'dot com' bandwagon.**

The MGCC South West Centre has jumped on the 'dot com' bandwagon with a new address for it's website: [www.mgccsw.com](http://www.mgccsw.com). The website is soon to be treated to a facelift, so please watch out for that! If you have any comments on the website or suggestions for new content, then please e-mail [webmaster@mgccsw.com](mailto:webmaster@mgccsw.com) with details.

The old address will continue to direct you to the SW Centre site for the foreseeable future, but now is the time to update your 'favourites' and/or 'bookmarks'. If you need any help in doing so then please e-mail me at [neil@mgccsw.com](mailto:neil@mgccsw.com) and I'll gladly send you easy-to-follow instructions.

If you are on Facebook, then why not join the SW Centre group for the latest SW Centre news? Again, if you want help doing so, or even with joining Facebook, then please e-mail me.

Finally, and most importantly, the use of e-mail as a means of communicating is considered by your esteemed committee as a vast reserve of hitherto untapped potential (oh dear, I came over all 'Jonesy' there...). I urge you to subscribe to the e-mail database such that you may receive the latest news, details of upcoming events, links to new photo galleries added to the SW Centre website and the latest standings in the SW Centre Drivers Championship. Your address will not be made available to any third party, and you may unsubscribe from the database by sending an e-mail to [events@mgccsw.com](mailto:events@mgccsw.com) with the title 'unsubscribe'. So what have you got to lose?

Be sure to add [events@mgccsw.com](mailto:events@mgccsw.com) to your address book or 'trusted' list to ensure that mail is not consigned to the spam-bin. If you need any advice on how to do this then please send me an e-mail.

Everyone will continue to receive a hard-copy of the SW Centre calendar with *Safety Fast!* as normal. Should you wish to receive a paper copy of event notifications, then please write to me via Kimber House.
